**NEW WORLD MILLENNIUM HONG KONG HOTEL OFFERS AN ELEVATED STAY  
EXPERIENCE WITH “A WHOLE NEW WORLD: EPIC LUXURY” ROOM OFFER**

New World Millennium Hong Kong Hotel, the iconic five-star landmark on the Victoria Harbour waterfront in Tsim Sha Tsui East, launches a luxurious room package -- “A Whole New World: Epic Luxury” -- featuring an elevated staycation in the Epic suite, the hotel’s newest and largest accommodation. The offer includes extravagant dining and wellness experiences, private chauffeur-driven limousine service throughout the stay and more. Bookings are available from now to 29 October for stays between now and 31 October 2022.

The room package is designed to deliver a “whole new world” of indulgence for guests on a one-night stay in the Epic suite. The fully renovated suite is the largest in the hotel and features a living room and eight-seat dining room overlooking Victoria Harbour. Both areas are equipped with a 65-inch 4K LED television and state-of-the-art audio systems for effortless entertainment. A décor of warm earth colours throughout is accented by rich wood accents in the bedroom area that create an ambience of refined comfort, while the marble-encased bathroom features a Jacuzzi and a walk-in rain shower with massaging body jets. The suite also offers smart home technology to control all functions from lighting, room temperature and air conditioning to curtains, ensuring a seamless modern stay.

The stage is set with a bottle of Dom Pérignon 2010 and exquisite canapés awaiting guests’ arrival in the suite. Guests are treated to their choice of dinner experience for two -- a five-course tasting menu at La Table French Brasserie or a Deluxe Wagyu Teppanyaki Set with lively, theatrical performance before guests’ very eyes at Sagano. Buffet breakfast at Café East or in-room American breakfast is also included for the next day.

“Epic Luxury” guests are pampered in well-being with a HKD4,000 gift card for rejuvenating treatments and experiences at Asaya, the acclaimed integrative wellness centre at Rosewood Hong Kong. The package also includes a complimentary Pear 3D Skin Analysis for two plus a yoga or HIIT functional cardio class for one at Asaya.
